RELATED WORK

Dual Aesthetic

Freelance Consultant
2005-current

I have been contracted by various groups to work in many facets of design including identity, marketing, and web design and development.

Arthur Salomon Research Group

Graphic/UI Designer
2008-current

In addition to my role as a biology research assistant, I have become the go-to guy for design related needs. I have created dozens of scientific figures, several conference posters. I also develop the user interface for research software.

TechFutures, Inc.

Web Designer
2004

After completing their two year education program, I was hired by their consultancy branch and designed website mockups for clients.
